BY: CAROL BALISTRERI
Deputy Clerk

1 I, [Redacted], declare as follows:

2 1. I am the registrant of the domain name <onaforums.net> and the operator of the
3 website located at <onaforums.net> (“OnA Forums”), Petitioner in this matter and named as
4 Defendant John Doe 1 in the lawsuit *Patrick S. Tomlinson v. John Does 1–60, Names Unknown*,
5 Case No. 2021CV000500, currently pending in the State of Wisconsin Circuit Court, Milwaukee
6 County. Unless otherwise stated, I have personal knowledge of the facts set forth in this
7 declaration.

8 2. The users of OnA Forums are anonymous. OnA Forums users can use a fake email
9 address/account, and they can change their email account/address to whatever they want, whenever
10 they want. OnA Forums has no form of verification procedure for email accounts or addresses. If
11 a user gets locked out of OnA Forums (including because they forgot their fake email address or
12 the password reset function was not working), they just make a new account to access the service.
13 As a result, I do not know, and could only speculate about, the real identity of any user of OnA,
14 and no user has disclosed his/her identity to me.

15 3. In response to Patrick S. Tomlinson (“Tomlinson”)’s subpoena to Cloudflare, Inc.
16 (“Subpoena”), I collected and provided to Tomlinson’s counsel all information I have available to
17 me with a reasonable amount of effort relating to the identities of specified OnA Forums users.
18 This information consisted of voluntarily submitted user information and IP logs retained by
19 Cloudflare. These IP addresses are the only IP addresses to which I have access regarding the users
20 of OnA Forums given how Cloudflare functions.

21 4. I operate OnA Forums anonymously for multiple reasons, including for fear of my
22 safety if my identity were disclosed to Tomlinson. More specifically, I fear for my safety because
23 Tomlinson has published numerous statements which, in my opinion, reflect his willingness to
24 commit violence (or encourage others to commit violence) against those with whom Tomlinson
25 disagrees, considers enemies, or who criticize Tomlinson.

26 5. Tomlinson has published posts on <twitter.com> (“Twitter”) referring to me and
27 users of OnA Forums as “alt-right” individuals, fascists, and Nazis. Not only has Tomlinson
28 advocated for violence against alt-right individuals, fascists, and Nazis, Tomlinson has also

expressed his willingness to personally engage in violence towards individuals whom he considers his enemies or labels as alt-right individuals, fascists, or Nazis.

6. Attached hereto as **Exhibit A** is a true and correct copy of a screenshot from Tomlinson's Twitter account, located at the following URL, which was downloaded on July 27, 2021:

- <https://twitter.com/stealthygeek/status/1154835158773719041>.

In relevant part, **Exhibit A** states:

"Last September, I became the target of a coordinated harassment campaign organized by alt-right trolls on Reddit. I wasn't aware of their existence until the night of the 14th when my account was suspended. But it wasn't long before we found their base. 2/"

7. Attached hereto as **Exhibit B** is a true and correct copy of a screenshot from Tomlinson's Twitter account, located at the following URL, which was downloaded on July 27, 2021:

- <https://twitter.com/stealthygeek/status/1348121882747424770>.

In relevant part, **Exhibit B** states:

"By the way both of those 'permanent' suspensions were the result of mass false reporting attacks by the people cyberstalking me and a complete institutional failure of Twitter's moderation systems that were only resolved via legal action.

I can't and won't help real Nazis."

8. Attached hereto as **Exhibit C** is a true and correct copy of a screenshot of an archived posting from Tomlinson's Twitter account, located at the following URL, which was downloaded on July 27, 2021:

- <https://archive.is/uk2cN#selection-4817.0-4817.224>.

In relevant part, **Exhibit C** states:

"Not at all. The opposite is true.

The ONLY thing that stops Nazis is violence. The ONLY thing that keeps them down is violence.

Coddling their free speech rights only helps build them back up to committing genocide faster."

9. Attached hereto as **Exhibit D** is a true and correct copy of a screenshot of an

1 archived posting from Tomlinson’s Twitter account, located at the following URL, which was
2 downloaded on July 27, 2021:

- 3 • <https://archive.is/3NECs#selection-3021.0-3021.147>.

4 In relevant part, **Exhibit D** states:

5 “I get this a lot. The problem is any public, televised ‘debate’ I would have with
6 any of these Nazis would end with them dead, and me under arrest.”

7 10. Attached hereto as **Exhibit E** is a true and correct copy of a screenshot of an archive
8 posting from Tomlinson’s Twitter account, located at the following URL, which was downloaded
9 on July 27, 2021:

- 10 • <https://archive.is/jzuM5#selection-3687.0-3687.204>.

11 In relevant part, **Exhibit E** states:

12 “I’m not tolerant. I never claimed to be tolerant. One of my hallmarks is how
13 undeterred by and prepared for violence I am. It’s kinda part of my brand. Maybe
14 know whom you are addressing before speaking.”

15 11. Attached hereto as **Exhibit F** is a true and correct copy of a screenshot of an
16 archived posting from Tomlinson’s Twitter account, located at the following URL, which was
17 downloaded on July 27, 2021:

- 18 • <https://archive.is/Trqzy#selection-4065.0-4065.20>.

19 In relevant part, **Exhibit F** states:

20 “Death to my enemies.”

21 12. Attached hereto as **Exhibit G** is a true and correct copy of a screenshot of an
22 archived posting from Tomlinson’s Twitter account, located at the following URL, which was
23 downloaded on July 27, 2021:

- 24 • <https://archive.is/K3pAO#selection-4521.0-4536.2>.

25 In relevant part, **Exhibit G** states:

26 “Like this CCW [concealed carry weapon], baby doll? [image of Tomlinson
27 holding a handgun]”

28 13. The statements above lead me to believe that Tomlinson would engage in some
form of violence against me if my identity were to be disclosed to Tomlinson.

14. Tomlinson has published several statements on Twitter that evidence his goal of

shutting down OnA Forums. As an example, attached hereto as **Exhibit H** is a true and correct copy of a screenshot from Tomlinson's Twitter account, located at the following URL, which was downloaded on July 26, 2021:

- <https://twitter.com/stealthygeek/status/1419030086603399172>.

In relevant part, **Exhibit H** states:

"Oh but ending your group is exactly what we're doing, stalker."

15. Attached hereto as **Exhibit I** is a true and correct copy of a screenshot from Tomlinson's Twitter account, located at the following URL, which was downloaded on July 26, 2021:

- <https://twitter.com/stealthygeek/status/1302015900716068864>

In relevant part, **Exhibit I** states:

"Shut down the web forum run by a group of obsessed cyberstalkers dedicated to a two year crusade of targeted harassment against me? I'm working on it, but I am genuinely confused why you think I have an off switch for it, and why I haven't used it yet."

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Nor were they satisfied just getting my twitter banned. They continued the campaign across all of the internet, from YouTube, to Facebook, my blog, Reddit, and Amazon:

At one point, they actually called local businesses I frequent to impersonate the police trying to determine if I was there, which launched a police investigation into their behavior. It was the extent and relentlessness of the harassment which finally undid them. 4/

Through a copyright reporting process known as the DMCA, I was able to

- ban their main subreddit, and six subsequent replacements until they were forced out and had to start their own website to continue their terror campaign. Until that too was shut down earlier this week. 5/

- Patrick S. Tomlinson** @stealthygeek · Jul 26, 2019 ...
- Through the entire process, I meticulously collected screengrabs of every admission, attack, planning session, and bragging post. Armed with this evidence of a vast, targeted, organized campaign, my lawyers were able to speak to Twitter and prove my ban was illegitimate. 6/

- Like many people who dare to speak out against trolls, Nazis, and white supremacists, my enemies answer was to weaponize a reporting process intended to make social media a safer, more inclusive place and instead use it to silence their critics. 7/

I've been permanently suspended from Twitter, twice. The first time for eleven months. The second time for six weeks. I might be the only person on Earth who can say that.

Maybe I should start a consultant business for all these MAGA folks getting nuked this week.

Nazis: We demand a pure white ethnostate. The blood of the impure will run the rivers red until the cleansing is complete.

Everyone else: I should punch you in the face.

Nazis: Whoa, what's with violent threats over a difference of opinion? You're the real Nazis.

Except everyone is deemed a nazi nowadays. There's no room for discourse. And also, you can't advocate for peace when you're using violence to get it, people fight back and it's either an endless cycle, or an inevitable suppression.

Suppress their relevance with words. If you use violence you legitimize their cause and fix nothing long-term. I hate nazis as much as everyone should, but I'll defend their right to speech, even if all they spout es toxic, hateful bullshit.

To presume that nazis are now what they were back in WW2 is insane. Their "resurgence" (big air quotes on that one) is not due to free speech, quite the opposite. If you use violence now to "keep them down" you progridively bring their relevance up. Can thank antifa for that one.

Now they are budding again because people are forgetting the past.
