CRIMINAL & TRAFFIC RECORDS

i A criminal record or police record is a record of a person's criminal history, used to assess his or her trustworthiness. Note that Whitepages is not a consumer reporting agency as defined by the Fair Credit Reporting Act. This means that you cannot use information presented in this website for evaluating a person's eligibility for employment, credit, insurance, housing, and other FCRA governed purposes. The information included in a criminal record and the existence of a criminal record varies between countries and even between jurisdictions within a country. In most cases it lists all non-expunged criminal offenses and may also include traffic offenses such as speeding and drunk-driving. In some countries the record is limited to actual convictions (where the individual has pleaded guilty or been declared guilty by a qualified court), while in others it also includes arrests, charges dismissed, charges pending, and even charges of which the individual has been acquitted.
