The BC Human Rights Tribunal "smashes" Jonathan Yaniv – but they're almost as crazy as he is

Sorry, you are not authorized to watch this video.

The B.C. Human Rights Tribunal is probably the worst human rights tribunal in the country. They're all bad but kangaroo courts have their limits.

And their limit was reached by Jonathan Yaniv, a man who now calls himself Jessica Yaniv. **(WATCH our document Jessica Yaniv? HERE (https://www.therebel.media/who-is-jessica-yaniv-exclusive-documentary-transgender-pi**

I don't think he's crazy; I think it's a perky act to access women's change rooms where he takes photos; to get at teens who he invites to pool parties; and, most grossly, where he books appointments with aestheticians who are women bikini waxes, and he books those appointments as a woman, but then he shows up, as a man, and insists him.

And often, by the way, those aestheticians are immigrant women working from home. He literally comes to them and again and again. And when they say no, he sues them at — you guessed it — the BC human rights tribunal.

He managed to get them to let him prosecute them in secret — as in, to hide his name. He played the victim; he in danger; so he managed to get a publication ban on his identity; so he could continue go to out there and entr

Well, it also happened that he finally got the ruling from the BCHRT.

And he lost. And it's glorious.

He has to pay each of the aestheticians \$2,000 each for harassing them. That's very, very rare in human rights nuisance suits are unpunished, but this was so deeply damaging to human rights tribunals, that this was really preservation. So that's how it ends.

And what you'll learn **TONIGHT as I walk you through the ruling** (http://www.bchrt.bc.ca/shareddocs/decisions/2019/oct/222_Yaniv_v_Various_Waxing_Salons_No_2_2019) that Yaniv isn't the only crazy one...

Think about it:

Yaniv was gross, but it was the human rights tribunal who forced these women through a trial. Who's the bigger

There's still unfinished business here:

Yaniv obviously committed a crime of assault and battery against our own David Menzies (https://www.youtube.com/watch?v=mcEnBHAYYVM), captured on video — and has yet to be charged with that crime.

Maybe now that the BCHRT itself calls Yaniv a conman, a liar, an extortionist, maybe the police will be less cowardly and hold my breath.

But for now, let the truth be known:

Jonathan Yaniv is a crook.

NEXT: Our Alberta Bureau Chief **Sheila Gunn-Beid** joins me to talk about news that one of the "animal rights activists" for invading a Hutterite turkey farm **was an employee of Global News.** (<https://www.youtube.com/watch?v=sQC>

Someone says they spotted him handing out samples in a liquor store, no scooter in sight. WCB and the disabled transport company, are you paying attention?

Listen to the father of the little 7-year old (James) Texas boy before the gag order went into effect.

This interview took place just before he went into court for the final ruling.

Kangaroo Courts, and Clown World!!
That about sums up Canada, and The West... So, when Life gets you down,

cheer yourselves up with a tune from Python. "Bright Side Of Life". Sung by Eric. Lyrics by Nilsson...:)

Not a bad Ezra show, but not in the category of one of his super shows. I was under the impression that the progression of past shows was covered by Menzies show called REBEL ROUND-UP, the gathering up of the weeks interesting events.

I'd like to suggest an idea on pursuing Global's possible involvement in the Turkey Farm invasion. Put an official complaint into the CRTC. (Canadian Radio and Technology Commission) Canadians pay them millions to monitor Radio and TV Stations, and they have the money and muscle to dig deep, instead of using The Rebels limited resources. I put in a complaint about the billing practices of a giant company, and they went right to the top and fixed the problem within 3 days. However someone from the Rebel should monitor the progress of the CRTC.

After Global breaking the SNC Lavalin scandal, Trudeau wouldn't stop an investigation into Global News.

Now that this has become a clear case for Extortion...I hope that any one of these women will call the Police and get the ball rolling...it would be nice to see the Police hold a press conference asking for other victims of Johnathan Yaniv to come forward...especially those that paid up in order for the case to be resolved...

It's unconscionable that those other victims' names are under lock & key by the Human Rights Commission...

You know if it wasn't for the publicity... he would have won...and no one would have known about it...

Email the brass at Global with questions Ezra!! Get the ball rolling

I think you're right that it was the disinfectant of sunlight that caused the BC HRT to go into self preservation mode. You say all the suits are nuisance suits Ezra, and I agree, but they turn away about 70% of complaints as "nuicance" by their own non-standards.

As to the west separating. The longer the west dithers, the less credibility they have. Stop talking and ACT!! Call Trump NOW!! Not after 9 mos of discussion. He may have some good

ideas to put the deal together. You want him in on it from the get-go! Or have the vote now, while ppl are mad, and then call Trump right away. Either way, the West needs to ACT! Don't wait on Kenney. Get on his a\$\$ and stay there til he acts!!

Another situation where these farmers should take Global to court for trespassing, invasion of privacy, everything they can think of.

Global News should be held accountable in a court of law.

That will get the MSM talking.

Very well said Ezra.

You are exactly correct in your summary of this sexual predator.

These women should take him to court for sexual harassment and loss of income, everything they can think of.

He needs to be in jail.

Too bad Jonathan's esthetists didn't have training with a scalpel, the story would change soooo much!
