if you have any questions or some shit go @ me on twitter
@ixtrnal or add me on discord @ xtrnal#6121

On 5/27/17, I recieved a message from you-know-who
(after the events of the shit i done to the server),
explaining to me what this specific fufag was doing to
members, it was then, i established trust and overall our
friendship again.

I would like to report a user by the name of 🍒🐾 CherryPaw 🐾🍒 #0884 for severe violation of the Discord Guidelines.

From the Discord Terms of Service - discordapp.com/terms

"violate any applicable laws or regulations, or promote or encourage any illegal activity including, but not limited to, hacking, cracking or distribution of counterfeit software, or cheats or hacks for the Service."

CherryPaw regularly engages onto other users in order to solicit online sex from them, and in most cases, he knows the users are below the age of 18. He's said that he is 19 years of age.

From the Discord Guidelines - discordapp.com/guidelines

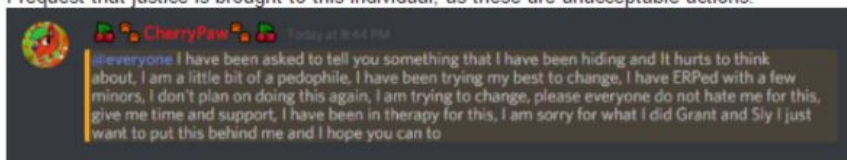

"Organizing and participating in raids or other forms of harassment. Do not engage in or post content encouraging the harassment of individuals or communities. If someone is harassing you or your community, be proactive and block them immediately. Use the report button to notify our team of any harassment you encounter."

CherryPaw has been organizing users through discord to focus attacks to individual users on a website known as Roblox, in order to weaken their right to Freedom of Speech. These ban raids are produced by Cherry and deemed unacceptable by Roblox's terms of service as well.

Recently, CherryPaw exposed himself to his own discord server, pleading guilty to pedophilic actions.

"@everyone I have been asked to tell you something that I have been hiding and It hurts to think about, I am a little bit of a pedophile, I have been trying my best to change, I have ERPed with a few minors, I don't plan on doing this again, I am trying to change, please everyone do not hate me for this, give me time and support, I have been in therapy for this, I am sorry for what I did Grant and Sly I just want to put this behind me and I hope you can to"

I request that justice is brought to this individual, as these are unacceptable actions.

To be brief:

Cherry is a fucking pedophile who comes and goes along the Discords that all fall under the category of revolving in the game and world of ROBLOX. He creates these games with a webhook attached to his Discord Server so that almost anything that is filtered in-game his chat is unfiltered and that he can see the messages on his Discord through a secret text channel. It's absolutely disgusting considering he tried to date Sly and Grant, both whom no longer roam on this Discord.

There's literal proof as well provided, see for yourself, i will not be displaying who i coordinated with. (unless you're aware)

Sort of on the lines of that

He's basically trying to force ERP on minors

People he knows are minors

Kids

Here's an example from one of his friends

[3:53 PM] 🍒🍒 CherryPaw 🍒🍒 : I don't even know the age of these guys most the time..

[3:54 PM] 🍒🍒 CherryPaw 🍒🍒 : T^T

[3:54 PM] Maestro: I'm a minor 😊

[3:54 PM] 🍒🍒 CherryPaw 🍒🍒 : No shit

[3:54 PM] Maestro: rood

[3:54 PM] Alcifon/Weren/Ku'Rit: Cherry, do you fucking care for your OWN GOD DAMNED SAFETY?

[3:54 PM] 🍒🍒 CherryPaw 🍒🍒 : Yes

[3:54 PM] 🍒🍒 CherryPaw 🍒🍒 : Now everyone shut up

[3:54 PM] \ Witch Doctor / : hey cherry did you know there was a faster way to fuck the channel up? just press "Delete Channel"

[3:54 PM] neapolitan: i feel sick

[3:54 PM] Max The Wolf: or in fact

[3:54 PM] Alcifon/Weren/Ku'Rit: Cherry, this is a SERIOUS topic.

[3:54 PM] Max The Wolf: delete server

[3:55 PM] Alcifon/Weren/Ku'Rit: You don't sweep it under the rug.

[3:55 PM] 🍒🍒 CherryPaw 🍒🍒 : And this is not the place to talk about it

[3:55 PM] RubyEpicFox: No, do not delete the server!

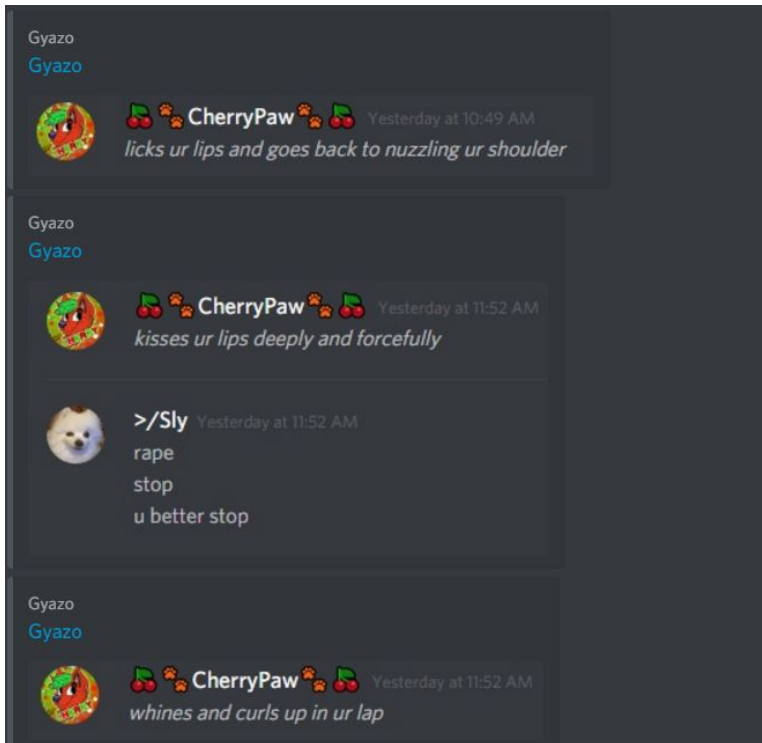

[3:55 PM] Alcifon/Weren/Ku'Rit: YOU ACTUALLY MADE ME GOD DAMNED TRIGGERED.(edited)

[3:55 PM] neapolitan: this is a legitimately triggering topic actually

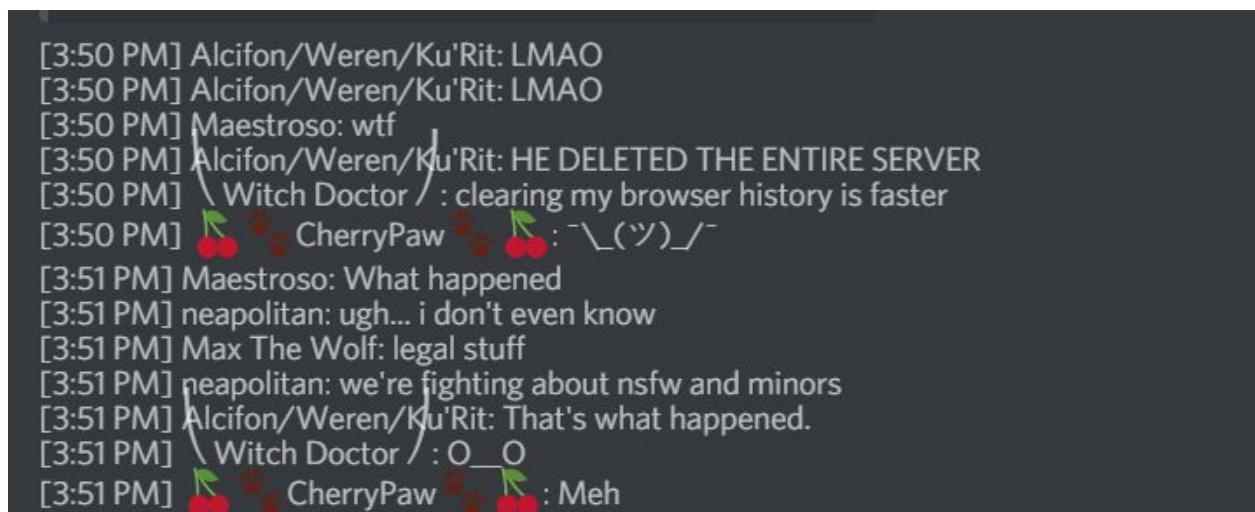

[3:56 PM] Alcifon/Weren/Ku'Rit: WHICH IS NEAR TO IMPOSSIBLE TO DO.

[3:56 PM] 🍒🍒 CherryPaw 🍒🍒 : Technically you are not supposed to cuss to a minor

this isn't the only time he's acted like this, he's done similar to members within the micheal p server, one being

sly:

regardless, he's fucking disgusting.

now do what you will with this information. If he's in your server, ban him. last time i can recall legal action has already been taken into account of his actions. This is why you don't fuck around on roblox and/or discord.
